

Setting Individual Ring Tones on an iPhone--Easy Steps

Step 1: Go to settings and select **Sound**

Step 2: Tap **ringtone** and listen to the various options to decide which ones you like!

Step 3: Now you are ready to **individualize** your ringtones!

- Tap the **phone icon**
- Tap **Contacts**
- Tap the **name of the person** to whom you want to assign a specific ringtone
- Tap the **edit button** in the top right corner
- **Swipe down to Ringtone section--**just under the email section. **Tap Ringtone.**
- **Select the ringtone;** tap **Done** (iOS 7) or **Save** (iOS6 and earlier) in the top right corner.
- Tap **Done** in the top right corner.
